

## Our New Home for Assisted and Enhanced Assisted Living

The Home of the Good Shepherd, licensed by the NYS Department of Health, has served the Saratoga Springs community since 1870, earning a proud reputation for providing the highest level of skilled, attentive care.

In July 2016, we opened our newest community in Saratoga Springs, where we continue to offer:

- Warm and inviting, modern private suites
- A continuum of care, allowing residents to “age in place”
- RN onsite and customized care plans for each resident
- Meals, housekeeping and laundry services
- Medication management and skilled nursing assessments
- Social and recreational activities offered on a daily basis
- Physical assistance with ambulation and transferring

*We invite you to call or visit.*

### *Giving to the Home of the Good Shepherd*

The Home of the Good Shepherd is a 501 (c)(3) non-profit charitable organization. This means we are able to reinvest any financial donations into our facilities, and to continually raise standards to deliver the highest-quality, premium care our residents deserve. We rely on donations from family, friends, and community members to enhance the first-class programs and award winning services we provide to our residents. If you would like to make a gift online, please visit [www.homeofthegoodshepherd.com](http://www.homeofthegoodshepherd.com).

**If you would like more information about any of our vibrant residences, please call 518-450-7360.**

## *All the Comforts of Home*

At the Home of the Good Shepherd, we offer our residents superior professional care in a warm and inviting assisted living environment. Our size allows us to provide each of our residents with individualized services to meet their specific needs while encouraging them to remain active and involved with their lives and in the Community. Our Enhanced care allows residents to “age in place” as we provide Skilled Nursing tasks and Nursing Assessments in our private home like environment.

## *Customized Care Plans*

Providing exceptional personalized care and comfort has been a consistent hallmark of the Home of the Good Shepherd. Each resident has a customized personal care plan that is integrated within case management services.

The plan reflects an individual’s needs and routines and is based on discussions with the resident, family members, physicians and other healthcare providers involved in the wellbeing of the resident. The personal care plan is routinely updated based on nursing assessments done by onsite staff as the residents “age in place.”

## *Dining – Making the most of mealtimes*

The Home of the Good Shepherd dining services are the cornerstone of our steadfast commitment to provide superior, gracious quality of living for all our residents. Our talented culinary staff are onsite in each facility to offer freshly cooked, nutritious, appetizing, in-season meal options. Our residents truly enjoy three wholesome meals each day and delicious snacks during the morning, afternoon and evening.

## *Activities – Living life to the fullest*

Our residents are offered exciting opportunities to visit local museums, take scenic rides throughout beautiful Saratoga County, excursions to the Saratoga Race Track as well as nearby lakes, parks and musical venues. Every resident can enjoy daily exercises, art classes, games, as well as a full service beauty salon, library, and large chapel in each building.

## *What Sets Us Apart?*

A guiding principle for all that the Home of the Good Shepherd staff do for our residents is joy in service. For our kind, knowledgeable, and supportive staff, the highest ideals of compassion, dignity, and trust are of the utmost concern when interacting with our residents, families and visitors.

It is reassuring to know that as well as living in your private suite, you have the comfort knowing whenever you need a little extra care, our staff is ready and waiting. Our caring and dedicated staff are on-site 24 hours a day, 365 days a year, ready to assist with everything from dressing, bathing, oral care, general hygiene as well as delivering meals for those that may not be feeling well.
